

## **Brimley State Park**

*All programs meet at the Discovery Center, located by the picnic shelter.*

Tuesday July 15:

### **Mammal Signs Scavenger Hunt, 2:00pm**

The hunt is on as we travel the park looking for animal signs on the special scavenger hunt.

Wednesday July 16:

### **Story Time at the Park, 11:00am**

Listen to tales about some of the mammals that live in Michigan, then join in some fun activities.

### **Nature Science, 2:00pm**

Learn about the science of nature. This week play the role of wildlife biologist as we learn about how they investigate wildlife populations. Join in the fun activities.

Thursday July 17:

### **Mammal Defenses, 4:00 pm**

Whack! Smack! Grrrrr! Ouch! Come and learn about some of the special adaptations our mammals use to survive.

### **Mammal Habitat Hunt, 6:30 pm**

Explore some of the habitats around the park to see what kind of mammals would live there. Join in the hands-on activities

### **Taking Flight, 9:30 pm**

What's the only flying mammal? Our Michigan Bats! Come join in these batty activities. Children under 12 must be accompanied by an adult

Friday July 18:

### **Mini-Mammals, 3:00pm**

They may be smaller but they're still important in any ecosystem. Learn about some of the rodents, weasels, raccoons and other smaller size mammals that live in Michigan.

### **The Big Ones, 7:00 pm**

Discover the world of some of the big mammals of Michigan, our bears, wolves and moose. Come join these special mammal activities.

Saturday July 19:

### **Mammal Games, 11:00am**

Animal Olympics, Oh Deer, Coyote/Rabbit...These are some of the games we'll be playing while we learn about our mammals. The more the merrier!

### **Discovery Center – Mammal Review, 2:00pm**

Miss any of the mammal programs this week? Visit them again at the Discovery Center. Make a special mammal craft while there.
